EDITOR'S LETTER

What times of turmoil we live in, to be sure! A few years ago some bloke wrote a book called 'The End of History' that reckoned everything was going to be plain sailing from then on – what was he thinking of?! Still, when you never know what each week's going to bring it's comforting to think that there's always something worthwhile to hold on to, and with top UK stunners like Cara Brett, Mia Middleton, Annabelle and Olivia on show this issue, surely that's just what we are!

PAT'S GOT THE CREAM

Dear *Mayfair*,

I am a 37-year-old man who still lives with his mum. Yes, I know how that makes me sound but, believe me, it has more than a few perks. Not only do I get all my washing, ironing, cleaning, etc, done for me, but all my meals made for me – without any of the nagging I hear my mates bemoaning their wives for. Life is actually pretty sweet. And I know you're wondering how it's possible to have an active sex life while living under your parent's roof, but that's the great bit; it means I have a lot of outdoor sex and, whenever I pull a girl, we always go back to her place, meaning I can leave as soon as it starts to get awkward! I never have to worry about trying to get rid of some random the morning after!

The other bonus about living at home with my mum still is that she is quite a sociable woman has friends of all ages – and that equals plenty of women popping in and out of the house! Of course, to most of them I am just Aggie's boy, but to others… Well, I'm a bit of a toyboy, I suppose!

Take her friend Pat, for example. She may be in her late 50s, but she's quite attractive and a right goer! She's always popping round "for a cuppa" when she knows Mum won't be in, and we invariably end up in bed together. Not that we made it to the bedroom the first time we fucked – we didn't even make it out of the kitchen!

Pat had made me jump out of my skin one Sunday morning while Mum was at church; I was sat at the kitchen table in my boxers (obviously not expecting anyone to come round at 9am!), eating my breakfast, when there was a bang at the back door. I shot up, spilling cereal all over myself, and spun around to see Pat's face pushed up against the window. Slightly annoyed, I opened the door and was in the middle of telling her that Mum was at church as it was Sunday morning, when she burst past me.

"Oh my! Look at the state of you!" She trilled, throwing her coat over a chair and grabbing a tea towel from the side. Before I knew what she was doing, she had started using the towel to rub the front of my T-shirt… And my boxer shorts!

Embarrassed, I tried to bat her away but she was persistent, somehow managing to corner me and scrub the front of my underwear. Of course, the inevitable happened and I got an unfortunately timed boner. Pat squealed when she saw this and pounced. I swear it happened in slow motion – and yes, I did have time to stop it, but Pat is pretty fucking fit and I was suddenly really turned on, having this older woman come on to me so blatantly and unexpectedly.

Planting her lips firmly on mine, she snogged me passionately, slipping her tongue inside my mouth. It was then that I gave in and lust took over. I kissed her back, groping her big tits through her blouse and pushing my dick against her. Her hands were everywhere; grabbing my arse, feeling my chest and pulling my hair – it was horny as fuck!

> I GASPED AS SHE LICKED MY HELMET, RUNNING HER TONGUE ALL THE WAY ROUND THE TIP AND RIM…

Then, suddenly, I felt her hands on my cock, gripping my length through the thin material of my boxers as it throbbed under her touch. I was about to start undoing her top when she grinned and knelt on the floor in front of me. She smiled as she slowly pulled my boxers over the head of my cock, which was dribbling with pre-come. Pat gently licked up the droplets and, staring intently at my straining member, slowly drew my shorts all the way down.

She licked her lips sensuously and I gulped, anticipating that those thick lips soon be wrapped around my cock. Closing my eyes, I gasped as she licked my helmet, running her tongue all the way around the tip and rim, before closing her lips around it and sucking it all the way into her warm mouth. She found a rhythm quickly, obviously well practised in the art of giving head. It felt amazing! Even more so when she traced her fingers underneath my bollocks and began tickling them and cupping them gently. Not enough women pay attention to the balls!

Not only had that thought flickered across my mind, when she pulled my dick out of her mouth and turned her attention to my balls. She sucked my left nad gently, running the tip of her warm, wet tongue all over it. Having sucked one nut, she went to work on the other, sucking it back and forth, teasing it with her tongue, and nibbling on it gently. I was in absolute heaven!

Pat, however, had other ideas and just as I thought I might shoot my load, she abruptly stopped, telling me to fuck her. I wasn't about to argue, so, laying her back on the floor I lifted her legs up in the air and rested her ankles on my shoulders.

I felt my cock ache as I pulled her skirt up and the crotch of her knickers to one side, exposing her swollen pussy. Surprisingly, she was shaved except for a few untrimmed downy curls, which peeked out from the sides of the material; this was too much and unable to help myself, I plunged my rampant tool deep inside her sopping gash.

She pushed her crotch upwards to meet me, swallowing my cock even deeper inside her chuffhole, and letting out a loud moan as I immediately began to pound into her rhythmically. I grabbed her tit, shoving my mouth around it and nibbling her little hard nipple as I continued to fuck her, causing Pat to scream as she came, her pussy contracting around my prick. I tried desperately to keep myself from shooting my load, but despite a massive effort I couldn't hold back and, with a loud grunt, I sprayed my cream deep within her soppy cunt.

We had cleaned ourselves up and were sat at the table innocently having a cup of tea and a chat when Mum got back from church – just as we have twice a month since. There's no relationship, but it does fulfil a need in both of us. Mum would obviously be horrified if she knew about Pat… And the other five friends of hers that I'm servicing on a regular basis!

Mummy's Boy, via email

LOVE YOU LONG TIME!

Dear *Mayfair*,

I thought your readers might be interested in hearing about my wife and I, and our unconventional sex life. We married young, and by this time this story takes place we'd been married for eleven years, and

WELL LYALL BE DAMNED!

Dear *Mayfair*,
I was wondering if you were ever planning to feature the delicious Georgie Lyall in your magazine, so a) well done for finally getting round to it in 53.02 but b) a slap on the wrist for taking so long about it! She's one of the horniest babes in the UK at the moment, in my opinion, and I don't know what you've been playing at waiting for so long before getting her in *Mayfair*, which is surely the magazine to which she's most suited thanks to her natural curves and stunning looks. Just one question I'd like to put to her – if she's from Scotland, how come she's got a shamrock tattoo? I've got a bit of Irish blood in me myself, so I wonder if we've got that in common. And if not, perhaps she'd like some…?
Martin, Cheshire.

Well first off, yes – we should have got Georgie in sooner, so hands up to that one! As for the shamrock, we've asked the girl herself and it turns out that yes, while she's Scottish alright, her family originally hailed from Donegal – so she's already got plenty of Irish blood in her! It also means she's got two chances of her team winning the 6 Nations each year – well, OK, in reality just the one this year… The Ed.

though we loved each other dearly, our sex life seemed somewhat predictable. One night, while lying in bed, I read aloud a story from a soft-porn magazine. It recalled the arrangement that a woman had with a lover from Spain who would visit England on a regular basis, and they would have sex together with the permission of the woman's husband. This gave rise to a discussion between us as to whether or not we would enjoy this sort of arrangement. It sounded quite exciting, and at that point was just silly sex talk to get both of us aroused, and it worked - we made love passionately inspired by the erotic story.

Later we discussed the proposition more seriously. Jill explained that she certainly couldn't watch me make love to another woman – that was out of the question. However, she didn't mind the thought that I could watch her having sex with another man - that thrilled her. We both agreed that perhaps it would revitalize our flagging sexual relationship. There would have to be rules, and if either of us didn't like what was happening, we would stop it right away.

The next thing we discussed was with whom? It had to be someone we both trusted to be discreet, and someone who my wife would be happy to have sexual intercourse with. We finally agreed that there was one candidate in particular who would be ideal: Dan. He was an old friend who Jill liked, and as a bonus he had the biggest cock I'd ever seen – though Jill was unaware of this at the time. I wanted her to feel the thrill of having something substantial and fulfilling inside her; something memorable – and, to be totally honest, having now imagined the event, I definitely wanted to witness her riding Dan's enormous shaft.

I approached Dan and he readily agreed and said he would love to make love with Jill; he admitted he'd always been very attracted to her. I confirmed to Jill that the arrangements had been made – she was thrilled. For the next week, she and I had sex every night, prompted by the thought of what she was going to do the following Friday. Though neither of us took it completely seriously until Friday got much closer. When I got home on Thursday evening, with only twenty four hours to go, she was desperate for me to make love to her again; but I refused, teasing her and explaining that the next cock to enter her gorgeous eager pussy was going to be Dan's. She was like a cat-on-a-hot-tin-roof for the next twenty four hours. Neither of us could concentrate on anything but the forthcoming sexual event. When I got home on Friday she was already 'very relaxed' having drunk half a bottle of wine to boost her confidence and ensure her courage remained steadfast.

I took her upstairs and we selected some erotic underwear for her to wear. She then sat at the mirror and perfected her hair and make-up. I knew there was no going back. It was going to happen – she was going let Dan put his enormous cock into her beautiful pussy and enjoy her body – something, until then, only I had had the privilege of doing.

When she was ready Jill lay on the bed looking extremely beautiful as she nervously waited for the appearance of her new lover. Bang on cue Dan arrived, with a big grin on his face as eagerly he came through the front door.

I made him undress on the landing before entering the bedroom and seeing for the first time my gorgeous sexy wife ready for him. He quickly stripped off and stepped into the bedroom… and in the soft light he looked down on my attractive wife laying there like a sacrificial offering from 'sex heaven' and exclaimed out loud, "Wow!" He then continued to stare hard at this stunning vision dressed provocatively in black lacy underwear and

London has all sorts of attractions for the wide-eyed visitor – innumerable theatres, celebrity-packed nightclubs, overpriced parking and shifty locals on the underground, and it's also the place that *Mayfair* newbie Annabelle calls home, and she wouldn't have it any other way...

"Well the great thing about London is you can go out every night of the year and never do the same thing twice! Obviously the cost of living means that you can't actually go out every night – unless you can find someone to foot the bill, that is!"

And we reckon you probably wouldn't struggle on that front. Who knows – the Ed might even put his hand in his pocked and treat you to a quick shandy at his local!

stockings as she was laid out just for him. She smiled at him and then without any sign of embarrassment she looked directly at his penis; which was six to seven inches long as it hung down between his impressive balls, and was extremely fat. At this point he was still quite limp. Jill's eyes widened as her mouth opened slightly, and she took a soft intake of breath and said, "Oh… my… God."

Despite my previously hinting that Dan was well-endowed (my clumsy attempt to warn her) she was obviously unprepared for what she now saw displayed just a few inches away.

Dan leant forward and kissed her on the mouth. Unable to stop herself, and acting automatically, she put her hand forward and started to massage his expanding penis, which was soon over nine inches long and the head had swollen even larger than the remarkable girth of his substantial shaft. Her eyes were glued to it as she pushed herself up on one elbow to get closer, and used her right hand to tenderly caress his shaft up and down, exciting it even more. I thought for a moment that she was going to suck him, but that would come later.

> I COULD HEAR JILL'S FRENETIC MOANS WITH EVERY PUSH INSIDE HER WET PUSSY…

He wasted no time with foreplay. He later told me he didn't want to give her a chance to change her mind; he was obviously unaware of how determined my wife was to have his enormous cock deep inside her pussy.

He climbed onto the bed, positioned himself between her inviting legs. He put the head of his penis towards her, and just touching the lips of her vagina. He worked his penis up and down her soft smooth lips to find the right spot for entry. The moment had arrived – he pushed his thick, long manhood straight inside her willing vagina. She offered no resistance because she was moist and greasy from the effects of the slippery gel I'd put inside her pussy, and his penis went effortlessly all the way up. Her head fell backwards in pleasure, and doubtless in shock too, as she felt his enormous penis stretching her. She moaned loudly as he began to push backwards and forwards. Every thrust brought a new excited moan. Nothing mattered in her world now, except his large member carrying her away on a sea of ecstasy and excitement. I knew at that very moment, she was lost and doubtless in a world where she had no other considerations whatsoever – she was in seventh heaven. Nothing could stop her from enjoying her extraordinary lover – she was having too much sensational pleasure.

Continued from page 5

At this point I was having pangs of regret; I wondered if I had done the right thing, but it was too late now; he was deep inside my wife's increasingly wet pussy, and taking her to places that she had never been to before. I also realised that his penis was going deeper than anything had ever done previously – nothing had ever reached that deep inside her body - and she was loving every inch of it.

I left the room - I didn't want to hamper their style or put them off in any way, and I didn't want to spoil their love making by halting the event with pangs of foolish jealousy. I sat in the next bedroom where I could hear Jill's frenetic moans with every push inside her wet pussy. Every now and again I would come back to the bedroom door and peek through the gap just to see what stage they were at.

He was fucking her with consistency, keeping a steady rhythm as he went in and out of her vagina; this was signified by a moan each time he went deep. This went on for nearly an hour; making her climax at least twice that I witnessed; it may have been more. He then came deep inside her pussy; or as she later described it: 'he flooded me'.

I watched as they rested for a few minutes, but continued to kiss each other enthusiastically and insatiably, and then eager for more, I heard Jill say to him, "I want to suck you."

She wasted no time in sliding down the bed and going down on him and sucking voraciously on his big cock – her head bobbing up and down as she spread her jaw wide open to accommodate his thick member. As soon as he was fully erect again Dan mounted her enthusiastically for a second time.

Eventually, two and half hours after he arrived, they had done the deed, and dressed – and come down to join me for a cup of tea. Amazingly, that was just the start of an arrangement that lasted for over twenty-six years! Sadly, we haven't seen Dan for eight years now after he moved away, but Jill and I still discuss the arrangement we had with her well-endowed lover and it still inspires us when we are making love (well, me mostly). All I ever got to do was watch, but because I watched so often, the images are seared on my brain – I can't forget watching my beautiful wife getting laid literally hundreds and hundreds of times.

Frank, Leics.

SECS APPEAL!

Dear *Mayfair*,
What a delight for sore eyes is Ms. Emma Green! Maybe she's not a match for your typical Essex blonde when it comes to secretarial skills, but I'm sure she possesses more than enough common sense and intelligence to make an exceptional pot of tea or coffee!

Still, it seems a shame to me that Emma has to resort to playing with her own 'Magnificent bod' – girls who are blessed with that much photogenic beauty should never have to pleasure themselves when there are more than enough men out here who'd happily take care of all her needs! I bet there are plenty of well-heeled entrepreneurs who'd love to set her up in return for the opportunity to do so…
Kevin, Lincoln.

Roberta's only dipped her toe occasionally into the wonderful world of modelling, so we're chuffed to have her back after she appeared in one of our sister mags a couple of years ago. But why the long lay-off?

"Oh, it's only ever been a sideline for me – I've got quite a responsible job in the city, and don't need the money or anything – it's just something I like to do once in a while to remind myself what it's like to get back in touch with my feminine side after all that stress at work."

Hmm, well obviously we're glad you've found such a mutually beneficial way of unwinding – let's hope it isn't to long before those workplace stresses are building up again!

CAYMAN... FORTUNE!

Well, you'd be fortunate to own one alright, but they won't cost you an arm and a leg...

Porsche has proudly unveiled the new 718 Cayman. Since its debut in 2005, the Porsche Cayman has earned a particular reputation as a driver's car among owners and fans alike. Now, the new 718 Cayman aims to once more set the class benchmark for driving performance.

Like the 718 Boxster, the new 718 Cayman models continue the tradition of the Porsche 718 mid-engined sports cars that won numerous races in the 1950s and 1960s. The same new four-cylinder 'boxer' engines with turbocharging that first debuted in the 718 Boxster are shared with the 718 Cayman. As a result, coupé and roadster Porsche models offer identical engine outputs for the first time. The 718 Cayman derivative is powered by a 300 bhp 2.0-litre engine and the 718 Cayman S features a 350 bhp 2.5-litre engine. This represents 25bhp more power compared to the prior models, with fuel economy also increasing to 34.9 - 40.9mpg Combined.

The tremendous thrust from the new engines promises rewarding levels of responsiveness even at low revs. The 2.0-litre engine of the 718 Cayman produces up to 380Nm (plus 90Nm) of torque, generated between 1,950 - 4,500rpm. The 2.5-litre engine of the 718 Cayman S features a turbocharger with variable turbine geometry (VTG). This translates into especially dynamic performance; the 718 Cayman with PDK and optional Sport Chrono Package sprints from zero to 62mph in 4.7 seconds. The 718 Cayman S completes this sprint in only 4.2 seconds. The top speed of the 718 Cayman is 170mph, while the 718 Cayman S can reach a speed of 177mph.

The comprehensively retuned chassis of the 718 Cayman has increased dynamic responsiveness and cornering grip; springs and anti-roll bars have been designed to be firmer and the tuning of the shock absorbers has been revised. The steering, which has been configured to be ten per cent more direct, enhances agility and consequently increases driving pleasure further still. The rear wheels, which are half an inch wider, in combination with the re-developed tyres result in an increased lateral force potential and hence greater cornering grip.

Driving dynamics options such as the Sport Chrono Package and the Porsche Torque Vectoring (PTV) electronically-controlled rear limited slip differential allow the sporting character of the 718 Cayman to be further custom-tailored to suit individual preferences. Another available option is Porsche Active Suspension Management (PASM) with -10mm lower ride height. Additionally, in the S model, PASM sport suspension combined with a - 20mm lower ride height is offered for the first time. The Sport Chrono Package can be adjusted via the mode switch on the steering wheel. Supplementing the previous settings of 'Normal', 'Sport' and 'Sport Plus' is the 'Individual' programme, which is able to call up previously programmed individual settings for various systems.

On account of the new car's greater driving performance capabilities, stronger brake systems are now in use with 330mm brake discs in front and 299mm discs at the rear. The 718 Cayman features the brake system that was previously used in the Cayman S. The 718 Cayman S in turn uses the four-piston callipers of the 911 Carrera, combined with 6mm thicker brake discs.

The new 718 Cayman has been further developed as comprehensively in its design as in its technology. The taut proportions, prominent air intakes at the front and sides and sweeping profile underscore the boost in dynamics. The nose has a much sharper profile, which gives the front end a wider and more purposeful appearance. The ultra-slim front lights above the air intakes, which contain the parking lights and indicators, further reinforce this impression. Rounding off the front end of the 718 Cayman are the significantly larger cooling air intakes and Bi-Xenon headlights in a new design with integrated LED daytime running lights. LED headlights with four-point daytime running lights are available as a new option.

Viewed from the side, the new coupé reveals its striking sculptured wheel-arches and side sills. The re-designed rear also has a much wider appearance, emphasised by a high-gloss black strip with integrated Porsche badge between the tail lights. The tail lights themselves have been completely re-designed and are distinguished by their technological three-dimensional styling and four brake individual brake lights that appear to float freely.

Behind the wheel, subtle revisions are apparent in both the 718 Cayman and the 718 Boxster. The upper part of the dash panel including air vents is new. The new sports steering wheel in '918 Spyder' design as well as the extensive connectivity options have now been added to the 718 cockpit, along with the Porsche Communication Management (PCM) as a standard feature. Mobile phone preparation, audio interfaces and the 150-watt Sound Package Plus are all part of this standard.

Options are available to extend the PCM. The Connect module, for example, includes special extensions for smartphones, such as the USB port, Apple CarPlay and

"THE TREMENDOUS THRUST FROM THE NEW ENGINES PROMISES REWARDING LEVELS OF RESPONSIVENESS EVEN AT LOW REVS..."

Porsche Car Connect. Another option is the satellite navigation module with voice control, which makes it easy to input driving destinations. If the Connect Plus module is selected, this can be extended with real-time traffic information. Drivers can also make use of additional comprehensive services via their smartphone, which include the Porsche Connect App and Porsche Car Connect App.

If you've got enough wedge in your pocket the new 718 Cayman models are available to order today from Porsche Centres in the UK and Ireland. For the first time, the coupé is priced below the roadster - in a similar way to the 911 models. Or you can just look at the pictures and admire while you make up your mind!

Hello, what's going on here – it looks like Lucy's our third Mayfair debutante of the issue, and we're only four girls in! Still, when she rocked up for this shoot and revealed her stunning lingerie we knew we had to get her in the mag asap, and so here she is! Word has it she got into modelling 'cos she fancied the travelling, and she's been chalking up the air miles in fine style since then...

"Yes, I can't think of a better way to see the world, can you? You certainly don't have to worry about having too much luggage, for starters!"

Fear not – we didn't ask Cara to sit out in the garden during one of the chilliest Februaries in living memory so we could get this set into the March edition – we've been sitting on these pics since last autumn, when we actually had a couple of days that were balmy enough to venture outside! Still, looking at the pics now, they're surely more than enough to get the sap rising, aren't they? Spring is just about upon us, which is always a relief, so let's give thanks for the glories of nature's gifts while checking out Cara's very own ample blessings!

John went on a first date and took her to the fair.

"What would you like to do first, Kim?" he asked.

"I want to get weighed," said his date.

So they ambled over to the weight guesser. He guessed 9 stone. She got on the scale; it read 8 stone 10 pounds, so she won a prize.

Next, the couple went on the big wheel. When the ride was over, John again asked Kim what she would like to do.

"I want to get weighed," she said.

So back to the weight guesser they went. Since they had been there before, he guessed her correct weight this time, and John lost his pound.

The couple walked around the fair and again he asked where to next.

"I want to get weighed!" she responded. By this time, John figured she was really weird and took her home early, dropping her off with nothing but a handshake.

Her flatmate, Laura, asked her about the first date, "How'd it go?"

Kim responded, "Oh, Waura, it was weally wousy."

It was a cold winter day, when an old man walked out onto a frozen lake, cut a hole in the ice, dropped in his fishing line and began waiting for a fish to bite. He was there for an hour without any luck when a young boy walked out onto the ice, cut a hole in the ice not too far from the old man and dropped in his fishing line. It only took about a minute and the boy pulled up a massive fish.

The old man couldn't believe it, but figured it was just luck. But the boy dropped in his line and again within just a few minutes pulled in another one.

This went on and on until finally the old man couldn't take it any more since he hadn't caught a thing the whole time he'd been there.

He went to the boy and said, "Son, I've been here for over an hour without even a nibble. You have been here only a few minutes and have caught about half a dozen fish! How do you do it?"

The boy responded, "Roo raf roo reep ra rums rrarm."

"What was that?" the old man asked.

Again the boy responded, "Roo raf roo reep ra rums rarrm."

"Look," said the old man, "I can't understand a word you are saying."

So, the boy spit into his hand and said, "You have to keep the worms warm!"

A drunken man staggered into a church, sat down in the Confessional and said nothing. The priest is waiting and waiting and waiting.

The priest coughs to attract the man's attention, but still the man says nothing.

The priest then knocks on the wall in a final attempt to get the man to speak.

Finally the drunk replies, "No use knockin', pal. There's no paper."

"How romantic Arthur - Linda's boyfriend's proposing!"

A man playing on a new golf course got confused as to what hole he was on. He saw a lady playing ahead of him. He walked up to her and asked if she knew what hole he was playing. She replied, "I'm on the 7th hole, and you're a hole behind me, so you must be on the 6th hole."

He thanked her and went back to his golf.

On the back nine, the same thing happened, and he approached the lady again with the same request. She said, "I'm on the 14th, you are a hole behind me, so you must be on the 13th."

Once again he thanked her.

He finished his round and went into the clubhouse and saw the lady sitting at the end of the bar. He went up to her and said, "Let me buy you a drink to show my appreciation for your help."

He started a conversation and asked her what kind of work she did. She said she was in sales, and he said he was in sales also. He asked what she sold.

She replied, "If I told you, you would only laugh."

"No, I wouldn't," he said.

She said, "I sell tampons."

With that he burst out laughing.

She said, "See, I knew you would laugh."

"That's not what I'm laughing at," he replied. "I sell haemorrhoid cream, so I'm STILL one hole behind you!"

Blistering hot Babestation beauty Mia Middleton certainly made quite a splash when she rocked up for her first shoot last year (apart from anything else, the Ed knocked over his mid-morning glass of 'warm Ribena'), and after we ran her in 52.10 it quickly became clear that it wasn't only the Ed's trousers that had been impacted by her stunning appearance. So here she is back again, and if possible looking even lovelier than last time. Let's just hope the Ed's hand's a bit steadier this time round...

Scene from MAYFAIR

Death, sadly, comes in many forms this issue - from the welcome passing of a brutal dictator to simple disappearance - and pretty well everything else in between.

THE DEATH OF STALIN

If anyone's got a sure-touch when it comes to political satire it's Armando Iannucci, the man behind *The Thick of It, In The Loop, Veep* (not to mention one of the progenitors of *On The Hour* and its TV spin-off *The Day Today*), all of which poke fun at the ludicrousness intertwined with the wielding of power. And when it comes to the wielding of power, there aren't many who could rival Joseph Stalin's grip – he ruled the Soviet Union with a rod of iron from 1941 until his death in 1953. With regular purges of both allies and rivals keeping his position unassailable, it's little wonder that his eventual death was something of a watershed, and this comedy makes the most of the farcical potential of the situation. With loads of great gags added to the source material (a graphic novel) by Iannucci and co, and a top cast that includes Steve Buscemi, Jeffrey Tambor and Michael Palin, you'd have to be a dyed-in-the-wool Stalinist not to love this one.

INSIDE NO. 9 SERIES 4

Steve Pemberton and Reece Shearsmith cut their teeth on *The League of Gentlemen*, which was a deserved smash hit when it first aired back in 1999 and still attracted legions of fans when 3 new episodes were broadcast over Christmas, and while all the League's cast have branched off into multiple successful projects it's hard to think of any quite as satisfying as the four series of *Inside No. 9*, the most recent of which is possibly the most accomplished to date. Each self-contained episode is set pretty much in a single location and generally features both writers as well as a small additional cast, with the likes of Rory Kinnear, Emilia Fox and Kenneth Cranham all lending their talents. Exquisite scripting and plots that are in turns poignant, funny and unsettling mark this out as a programme of exceptional quality, so do yourself a favour and check it out!

THE LEFTOVERS

This programme didn't do itself any favours with British audiences by choosing a title that makes us think of scraps of yesterday's dinner, but in fact the three series – a nicely brief run in an age when programmes often outstay their welcome with a season or four too many – were one of the finest things you probable didn't see on telly in recent years. Airing on Sky Atlantic, it didn't get anything like the coverage devoted to HBO stablemate *Game Of Thrones*. So no, The 'Leftovers' in question aren't a few sprouts and a chicken thigh, rather the population of the Earth after 2% of the population has mysteriously disappeared in the 'Sudden Departure'. So what's all that about then? Well, with a cracking script and top notch ensemble casts (each series is set in a different city) you'll be totally absorbed as the story unfolds.

LYCIA

Age: 19 **Vital Stats:** 30G-26-31 5’2”
Photographer: BBM

With her platinum locks, fetching smile and flawless bod, Lycia when down a storm when she made her *Mayfair* debut towards the end of last year, and we decided there and then that we'd like to see a good bit more of her in 2018. Well, here we are in March already and that seems like quite enough of a wait to us! Apart from anything else, it gives us a chance to find out why she's named after an ancient region of Anatolia…

"I chose it after a particularly wild holiday I had in Bodrum last year. I tried a lot of things for the first time that week, believe you me!"

Wicked

CALL ME

★★★★☆

Editor's PICK

CAST: Ariana Marie, Skylar Snow, Casey Calvert, Carley Grey.

Rather worryingly for those of us who like to keep on the right side of the law, this Wicked flick kicks off with some sort of Gary Glitter-style foot stomping glam rock, but after that things settle down quickly enough into a nicely eye-pleasing porn-valley caper with nothing too untoward to concern yourself about. Ariana's boyfriend Jay just wants to be left alone to read his book, but it's Sunday and she wants to do 'their thing'! Well, that's a flimsy set-up, but thankfully Ariana looks wonderful as she teases out her fella's knob and gives it a slurp. Some nice 69ing follows before they settle into a nice solid fuck that sees them tick pretty well all the boxes. He's a jammy git alright, but it seems he wants a break, which seems like madness, but at least gives the plot a chance to focus on other couples hard at it. First off, a nice lesbian hook up for Casey and Carley, with the latter's old school mivvi getting a good airing along the way, and then curvy Skylar, who seems to be there to enact some phone sex chat fantasy. Her shapely arse definitely deserves a better pop shot than it gets, although Ariana and her new beau Lucas make up for it in the strong closer.

★★★★☆

Private

BABES ON FIRE

CAST: Taylor Sands, Milena Devi, Angel Wicky, Stasy Riviera.

Before you rush out to grab a fire extinguisher, calm down! I've watched this film from start to end and I didn't actually see any babes on fire at all. To be honest I'm glad – I'm all for the thrill of the new, but actually setting people alight seems a bit beyond the pale, even to an old jade like me. No, there's no combustion whatsoever going on here, but the babes are smoking hot nonetheless, with gorgeous Dutch cutie Taylor leading from the front by rubbing her boyfriend's thick prick between her boobs and then cramming as much of it as she can into her gob before he tucks into her furry muff. Great angles, nice close-ups and some no-nonsense anal make this a strong opener, and there are plenty more goodies to come. Small-boobed maid Milena hooks up with a pair of studs and receives a heartfelt spitroasting for her troubles, while the altogether curvier Angel gets herself in the mood with a toy and her own hand before tackling her brace of eager woodmen. More maid and anal action keep things smoldering nicely.

MetArt/VLT

PRIVATE PRACTICE

CAST: Lexi Lowe, Alexa Tomas, Noe Milk, Lena Love.

Imagine, if you will, that you've broken your knees or something (it's a bit hard to tell, but that's what the X-ray suggests) and you wake up to find that the nurse who's there to help you with your physio is Lexi Lowe. Well that's pretty sweet, isn't it? Now imagine, if you can, all that in Spanish, which is how Alexa's voiceover presents it. It's a bit more of a challenge, but you're never in danger of losing the plot entirely – the pair go out for a little walk and then, well, Alexa starts playing with herself in her sleep. Quick as a flash nurse Lexi's got a buttplug wedged up her shapely rear and Alexa's knees are as right as rain! It's all rather touching, really, but nurse Lexi isn't ready to call it a day, because with hardly a pause for breath she's playing tonsil-hockey with Nurse Noe. It's not just their tonsils that get a good seeing-to, though – with both pussies getting a cracking fingering and slurping before they're done. Everyone, it transpires, gets a go with everyone else here, with possibly the strongest coupling – Noe and Alexa – saved for the end. Improve your language skills and watch great lesbo action – you can't say fairer than that, can you? **Available from your local sex shop.**

CARA

Age: 24 Vital Stats: 34B-23-35 5'4"
Photographer: DDF

This, believe it or not, isn't the first time we've featured two Caras in the same issue. It causes all sorts of confusion around the office, but then this Cara's not going to be confused with Cara Brett any time soon, so we reckon we can just about manage. And yes, it's another debutante, and we're jolly glad she got in touch! So tell us about Cara, Cara!

"Well, I'm quite confident, as you can see, and I love posing for pictures. I'm training to be a nurse, and thought this would be a fun way to help pay the course fees. What do you reckon?"

Perfect - that's what we reckon!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I've never been poor, but I married well and now enjoy a certain level of lifestyle that I would say is somewhere between 'comfortable' and 'expensive'. This means I have no need to worry about money, of course, but it also means that the soirees I attend have elevated in stature.

The thing that most non-society people do not realize is that those of us fortunate to enjoy a lifestyle like we do are often bored and, as such, always on the look out for a bit of excitement or danger. And I seem to have a tendency to seek these thrills at social events – such as the Annual New Year's Eve Ball. For the last 3 years, I have managed to have a number of what I call my 'mini-adventures' that include a fumble in the cloakroom, a blow-job in the grounds and a fuck in the library. But it was last year's event that was my best yet.

It was held at a stately home in the Home Counties (I shall refrain from being more specific for fear of discovery), so most of the guests were staying at the venue for the night. The stately home itself was incredibly opulent and my husband had booked us into a stunning suite with a sumptuous four-poster bed and a Jacuzzi bath. If I had been there with anyone but my boring, arrogant husband, I would have initiated a bit of hanky-panky in all areas of the spacious room, but alas I was not.

The gala itself was to be held at 6pm sharp and was to include a sit-down meal, with dancing and entertainment in the ballroom afterwards. A lavish affair, there was no expense spared at these events, which is why the limited tickets really are like gold dust. Luckily, my husband is well bred enough to ensure our invitation every year.

I began getting ready at 3pm – well, a lady does not like to rush these things – while my husband was downstairs with his cronies. I ran myself a bath and pampered myself a bit before applying my make up, coiffing my hair and finally slipping into my sexiest silk underwear, bought especially for the occasion. Studying my trim figure in the full-length mirror as I rubbed skin cream into my cleavage, I eventually stepped into my dazzling made-to-measure gown and couldn't help admiring my reflection. I had to admit I looked beautiful. And I knew the gentlemen I encountered that evening would not fail to notice, either.

At 5:30pm, my husband arrived at the suite and announced that we would be leaving in exactly 20 minutes. I was ready, of course, and excited about the prospect of having my hungry pussy filled by a society cock.

Name: ISABEL
Age: 29
From: CHELSEA

The meal was, as expected, a grand affair. The seven courses perfectly prepared and enjoyed immensely – as was the free-flowing alcohol (mostly vintage wines, of course). I caught the eye of a dark-haired gentleman sat at the next table, who I found incredibly attractive and, by the way he kept glancing over at me, I suspected he felt the same. We exchanged a few subtle smiles and I had the sneaking suspicion that I would be sucking his dick before the night was through.

By the time coffee was served, and guests began to wander into the ballroom, the civilised dinner had turned into quite a drunken raucous occasion and that suited me just fine! I accompanied my husband to the second room, as was expected of me, but once he was so tipsy that he started becoming louder and more obsessed with the sound of his own voice I knew I would no longer be missed (this happened every time we went out), I slipped away to the bar in search of something a little more suited to my selective taste.

> HIS HAND WANDERED BETWEEN MY LEGS, CUPPING MY CROTCH THROUGH THE FLIMSY MATERIAL.

I ordered a Kir Royale from the cute bartender – who was nice eye candy, sure, but nowhere near man enough for my needs. I was just taking a sip of my drink and pondering my next move, when I heard a sexy voice behind me say, "Mind if I join you?"

I turned around to find the dark-haired guy I'd been flirting from afar with over dinner. He introduced himself as Charlie. I smiled coyly and offered him my hand to shake, but instead he took it and kissed it gently, his lips lingering on my fingers just a touch longer than was perhaps necessary. A little shudder ran through my body and my pussy moistened as my lust for this

handsome man intensified. We made small talk for a while, but it was what was left unsaid that was the turn-on. Our body language was incredibly intense, our eyes never leaving each other, the chemistry between us palpable. So it wasn't a huge surprise when Charlie suggested we grab a bottle of Champers and take it up to his room.

I was about to mention my husband and the need for subtlety, when he handed me a key and told me to meet him in room 9 in 15 minutes. I grinned, taking it from him and leaving him to order our fizz.

By the time Charlie joined me in his room, I had removed my ballgown and was draped sexily across his queen-sized bed in my silky underwear. His eyes lit up as he closed the door behind him, wasting no time in stripping his tuxedo jacket off as he opened the Champagne. Handing me a glass and toasting "fun times", he hurriedly stripped down to his briefs and jumped onto the bed beside me.

I giggled as he pounced on me, kissing me passionately and hungrily, his hands groping me everywhere, making me feel like the most desired woman alive. He began grinding his hips towards me and I gasped as I realized just how big his dick was. It was huge! My pussy dampened even more as my need to feel him inside me intensified. His hands wandered between my legs, cupping my warm crotch through the flimsy material of my knickers.

As I groaned, he pulled my gusset aside and pushed his fingers firmly inside me. I kissed him, my desire for his member obvious, and he reached down and pulled it out of his pants, rubbing it with his hand as he finger-fucked me. I was so turned on that I begged him to stick his big prick inside me. He obliged, pushing me onto my back and himself between my legs. Positioning his dick at my pussyhole, he made a cute little moaning noise as he pushed his way inside my tight tunnel.

My breathing ragged, I moaned as his tool filled me up entirely, stretching my cunny as he began to thrust, his pelvis finding a rhythm. He screwed me slowly at first, grabbing my tits to pinch and roll my nipples between his fingers – they were already sensitive from how turned on I was, and it felt like little sparks were travelling along a nerve directly to my clit. It felt fucking fantastic!

It wasn't long before we were both grunting like animals as he sawed in and out of me. It was so good, I knew I'd come quickly and I was right: as his balls rhythmically slapped against me, my orgasm welled up inside and I screamed and panted as my vaginal muscles contracted around his meaty cock. This spurred him on even more and he fucked me harder and faster than before, causing my climax to last longer then any I'd previously experienced.

As I wailed my way through my orgasm, Charlie started ramming in deeper with every thrust, until he was pummeling into me right down to the hilt. I felt his warm, moist breath against my neck as he nuzzled me with his stubbly chin, then suddenly he gasped and grunted and I felt him pull out quickly before a spray of hot jizz cascaded over on my inner thigh as he wanked every last drop over me.

"I MOANED AS HIS TOOL FILED ME UP ENTIRELY, STRETCHING MY CUNNY..."

We didn't hang about for any niceties afterwards, but simply tidied ourselves up and headed back downstairs. It filled a hole, so to speak, and I have now gone back to my 'little wife' role, as is expected. I am just looking forward to finding out what the next ball has in store for me!

I work in a call centre and recently some of my colleagues and I were sent away for a few days to a posh country hotel as part of a team building exercise. It all sounded nonsense, really, but it made a change from being in the office.

"I LEANT CLOSER AND WRAPPED MY LIPS AROUND HIS BELL END. THEN I ENGULFED HIS ENTIRE LENGTH."

Anyway, the first morning was spent in one of the hotel's conference rooms with some middle-aged woman explaining what would be happening over the next couple of days and basically getting us comfortable with each other. Having been at the company for some time I knew most of my colleagues in a social sense but a few of the recent employees were yet to make that transition from work to play. Callum in particular.

Callum had only been with us for a month and while he looked the part with his tall, athletic frame and modest good looks, he didn't really talk much. All this changed in the afternoon though.

We had been split into pairs and sent outdoors on an orienteering exercise. I was placed with Callum and off we went with a map and compass in search of some meagre prize.

After about an hour of hopeless trampling through muddy fields I suggested we were lost. Callum agreed and said we should take a rest, so we found a clear bit of grass and sat down.

"You don't say much, do you, Callum?" I said, finding this the ideal opportunity to learn more about him.

"Err, I suppose not," he bluntly replied.

"You're the strong silent type then," I remarked, trying to sustain the chat.

"No, it's just... well... erm," he stuttered. "I get intimidated by beautiful woman, and never know what to say to them."

"What?" I began, before realising he was paying me a compliment. I looked at him for a few minutes, before deciding to take the bull by the horns.

"Maybe this will open you up," I said leaning over him and unzipping his flies.

I pushed my hand into his trousers and sought out his flaccid cock. No sooner had I grabbed it, I could feel the blood swelling and with some gentle tugging I'd soon enticed a raging hard prick in to the open.

Callum looked at me but no longer was he sporting his shy demeanour – with a confident nod he ordered me to suck him off. So I did. I leant closer and wrapped my lips around his bell end. Then very slowly I engulfed his entire length until my mouth couldn't take anymore.

"I QUICKLY WHISKED OFF MY MUDDY JEANS. STRADDLING CALLUM, I BEGAN TO SLOWLY LOWER MYSELF ONTO HIM..."

Pulling my head slowly back and forth, I gave Callum one of the best oral performances I have ever given a man. Occasionally I would release his cock from the vice-like grip my mouth had around it and I would let my tongue explore the veiny exterior of his shaft.

Callum placed his hand on the back of my head and pushed gently so that I would keep on sucking him. I complied for a while but then decided it was my turn for a bit of pleasure.

Name: **DEBBIE**
Age: **25**
From: **READING**

I stood up and quickly whisked off my muddy jeans. Straddling Callum, I began to slowly lower myself upon him. Then when I

was just inches above his upright prick he pulled my knickers to one side so that his tip could touch the entrance to my hole.

With one swift move I slid on to his cock and soon had the full length buried inside my wanton gash. I began to rock back and forth, finding the angle that pleased me most.

By this time Callum had grabbed my waist and was helping me ride him. I could have kept going for ages, but sensing that he was going to come soon, he begged me to sit on his face. I happily obliged, standing up, turning round and lowering my now sopping cunt over his mouth.

I felt his tongue dart up and lap away excitedly at my folds while he pulled my bum cheeks apart with his hands. His prick was still firm so I took it back in my mouth.

We noshed away on each other in the 69 position and admittedly I was the first to climax. Callum's tongue drove me to new heights of pleasure and I rewarded him with a flood of my succulent juices.

A few minutes later I was rewarded with a mouthful of streaming hot semen. Callum hadn't let up on tonguing my groove so I continued to slurp at his come covered prick until it was dry.

> I FELT HIS TONGUE DART UP AND PLAY AT MY EXCITED FOLDS WHILE HE PULLED MY BUM CHEEKS APART.

When we eventually broke free from each other I looked at Callum with complete amazement, but total gratification.

"I GAVE CALLUM ONE OF THE BEST ORAL PERFORMANCES I HAVE EVER GIVEN A MAN."

We made haste in getting back to the orienteering task and I don't think I need to tell you that one hotel bed remained empty that night!

DISCREET SERVICE

My name is Lucy. I am 28 and 5ft 7 tall with shoulder length brown hair. I am a size 12 with a large bust and long slender legs. I have been married for eight years to a much older man and have a very comfortable lifestyle which is why discretion is important. I am looking for someone to have lots of no strings fun with. I am very fit and very broadminded.

CHARMAINE

MAYFAIR
Classic

She's back! After her stunning debut last month Charmaine (38-24-36) reminds us all that she's got more front to enjoy than Brighton, and invites us into her bedroom to watch her get ready for bed the only way she knows how!

"If I'm all on my own at night I like to dress myself up in the horniest outfits I've got lying around. You know, tights, suspenders, high heels, then I just lie back on the bed and think of all the horny things I wish I was doing," whispered the 20-year-old from Twickenham in London, pulling aside

MAYFAIR

Classic

You've got to go a long way to find a name that warms the cockles of an old Mayfair-reader's heart as much as that of Charmaine Sinclair does! The Surrey-born beauty was quite a regular fixture back in the 90s, and lest we were ever in danger of forgetting why, then check out these piccies from 1992! If you read the blurb you'll see that this was, in fact, only her second appearance in the mag, but it was already pretty clear she was set to become a firm favourite!

her lacey panties to reveal just what the lucky man in her dreams is missing.

"Oh no. It wouldn't be just *one* lucky man! I always dream of a couple of muddy rugby players coming round for a bath, or maybe two of those Chippendales wanting me to rub some oil into them, and then I'm off into my own fantasy world.

"Thing is, I'm getting very frustrated just dreaming about sex. I want the real thing!"

Well, we're sure there's one or two *Mayfair* readers who aren't doing much this weekend, Charmaine...

MAYFAIR

Vol.53 No.4

On Sale April 4th

There is, as the saying goes, a time and a place for everything. Well, maybe not incest or genocide, to name but two, but you get the drift. Anyway, this includes sex of course, and the news has been awash of late with it cropping up in all the wrong places and at all the wrong times. The Houses of Parliament? Nope - wrong place! Haiti, after a terrible earthquake? Definitely the wrong time and the wrong place! So when's the right time? Well a good suggestion is after flicking through next month's issue of *Mayfair* because, let's face it, you would, wouldn't you?!
